

# Type 2 Diabetes and Me

Researchers in the **School of Psychology, Queen's University Belfast**, are undertaking an online study aimed at assessing **what it is like to live with Type 2 diabetes**. The study focuses on the psychological implications of having this condition and the factors that might influence how people cope.

We are currently **seeking participants with Type 2 diabetes** to complete our internet-based survey. If you are interested in taking part, please click on the link in the post - this will take you directly to the questionnaire!

This research has received full ethical approval from the University's Faculty Ethics Research Committee (Ref No: EPS 21\_148)
