Novo Nordisk Ireland provided a grant in support of the Diabetes SMART programme

Need to learn more about
Type 2 Diabetes?

A free online programme for people
diagnosed with Type 2 diabetes.

What is **Diabetes Smart**?

A free interactive online education programme developed by Diabetes Ireland, for people diagnosed with Type 2 diabetes.

The programme contains resources, guidance and tools and has been redesigned to reassure those newly diagnosed with daily supports to help them better manage their condition.

It is meant to be in addition to information supplied to you by your GP or diabetes nurse.

The **e-learning** programme is divided into **6** sections
